

Kraft Paper

Papertec is now pleased to offer its customers quality recycled and virgin kraft paper rolls. Are you tired of getting shorted or cheated on yield by your current supplier? Are long lead times and material availability constantly an issue? Has your pricing continue to climb over the past year? Have you been experiencing continuous paper quality issues? Get rid of all those problems and headaches. We guarantee you will be more than satisfied with the quality of our paper and the service you will receive. Trial rolls are available to you upon request. We will even set up personalized stocking programs that will enable you to have access to material when you need it. **NO MORE WAITING!** If you have any questions or need more information one of our sales staff will be more than happy to assist you. Do not hesitate to contact us at any time. We look forward to working with you.

- We stock 30#, 40#, 40# and 70# recycled and virgin kraft papers (natural and bleached)
- We are able to manufacture these grades in rolls, sheets and in die cut pieces
- We are able to certify the use of our kraft papers with FDA approval for direct and indirect food contact as well as being able to meet all CONEG regulations
- We also guarantee the use of 100% recycled fiber content in all of our recycled kraft grades.
- Virgin natural kraft, 25# to 90# basis weights with MG, MF, calendared or super calendared finishes.
- Virgin bleached kraft, 25# to 90# basis weights with MG, MF, calendared or super calendared finishes.
- Poly coated, silicone coated.
- Recycled natural kraft 25# to 90# basis weights.
- Neutral PH/acid free kraft paper.
- Colored kraft paper-Black, Red, Blue, Green, Purple (deep colors).
- Natural Saturating kraft.
- Various roll widths, roll diameters, core sizes, sheets and die cut pieces are all available.
- Prime and odd lot stock is available.
- Used in a variety of industrial applications, wrapping, interleaving, coating, blade wrap, archival, and book covers.
